6) Week 3 Vocabulary Part B

I have used 4 vocabulary words in a sentence. Use the context clues in each sentence to remember the definition and write it down. If you are still having trouble remembering, use your notes.

1. The **potency** of this medicine is not enough to get rid of my head ache. It's just not effective enough to ease the pain.
2. I really like poems that talk about shepherds and open fields and flocks of sheep. **Pastorals** are just so peaceful to read and hear.
3. Cassette tapes are **defunct**. Nobody uses them anymore.
4. I can't believe the **quandary** I'm in! Both of the answers to this question seem like they're right, but I have to choose only one.

Now you write a context clues sentence for the following word: **Archaic**

Make sure that you use words and phrases to give hints and clues about the definition of the word.
